

aXtion Extreme MP for iPad 10.2-inch 9th Gen

Hazardous Location Certified, Rugged and Waterproof Case with Certified Installation Service (iPad not included)
SKU: CWA647MP

The aXtion Extreme MP is an economical solution to an Industrial PC. It is designed to protect its user, the tablet, and the work environment from potential hazards in extreme workplaces. With top-of-the-line certifications for hazardous areas this case is safe for extreme work environments like oil, gas, mining, and manufacturing. Built with no compromises this aXtion Extreme MP Case for iPad 10.2" 9th Gen is military-grade shockproof certified (MIL-STD-810H) and dust and waterproof (IP68). Because the case is waterproof, it is the ideal solution for inclement weather. From the built-in heavy-duty screen protector to the port and button covers, this case keeps users safe and connected.

The case is compatible with all MagConnect HD quick connect mounts. These ergonomic mounts allow mobile users to work hands-free on oil rigs or manufacturing production lines. The case is compatible with VESA 100 mounting systems and features; a rotating silicone hand strap, multi-angle kickstand, button, port, and camera covers/protectors. To expand mobility, it can be used with the Universal Shoulder Strap or Harness.

- Compatible with iPad 10.2" 9th Generation
- Made for hazardous location with Class I Div.2, Class II Div.2, Class III Div.1 & 2, Groups A-D, F, G certifications.
- Case is built for hazardous areas in oil & gas, manufacturing, and mining.
- Military-grade shockproof (MIL-STD-810H) provides tablet protection ensuring the device stays in play
- Waterproof IP68 rating enables submersion of the case for quick and easy cleaning
- For hands-free usage, the case can be paired with any MagConnect HD compatible mount; allowing the user to focus on the task at hand
- Features include: screen protector, cable lock slot, button and port covers, rotating hand strap and kickstand
- Maximize mobility with these optional accessories: Universal Shoulder Strap and Harness

Disclaimer: The iPad is installed into the case by a technician in our certified installation centres. The hazardous location solution is certified with a seal. Removal of the iPad from the case voids certification.
