

aXtion Extreme MP for Surface Go 3

Hazloc certified, Rugged and Waterproof Case with Certified Installation Service (Surface Go not included)
SKU: CWM417MP

The aXtion Extreme MP is specialized for hazardous environments. It boasts Class I Div.2, Class II Div.2 and Class III Div.1 and 2 certifications for Surface Go 3. The case is an economic alternative to an industrial PC solution and is safe for extreme work environments like oil, gas, mining, and manufacturing. Built with no compromises, this case provides top of the line protection giving stakeholders peace of mind, knowing their crew is safe in environment with flammable vapours or gases; combustible dust; and easily ignitable fibres and flying in the air. Other protective features include: screen and camera lens protectors; button and port covers; and reinforced corners.

The case is compatible with all MagConnect quick connect and quick release mounts. These ergonomic mounts allow mobile users to work hands-free no matter where their "office" is. The case is compatible with VESA 100 mounting systems and features; a rotating silicon hand strap, multi-angle kickstand, button, port, and camera covers/protectors.

- Designed for Surface Go 3
- Hazardous location certified – See "Specifications" tab for more details
- For hands-free usage, the case can be paired with any MagConnect compatible mount; allowing the user to focus on the task at hand
- Features include: screen protector, cable lock slot, button and port covers, hand strap and kickstand
- Maximize mobility with these optional accessories: Universal Shoulder Strap and Harness

BENEFITS

- Expand Usability
- Increase Mobility
- High Quality
- Peace of Mind
- Improve Efficiency
- Protect Investment
