## Camera Mode Only (Kiosk Mode)

Kiosk Mode allows management to limit/restrict the functionality of SP104Ex Smart Phone. Functions can be limited/deactivated at software level. No hardware modifications. Configuring SP104Ex as an Ex Camera only and/or deactivating standard Android Applications. Key Advantages of Kiosk Mode allows management to limit and prevent users from misuse. Kiosk Mode is reversible to original factory settings (Password protection by management).
